GINA LYNN

FEELIN' FINE

Gina Lynn grew up in Jackson, New Jersey, near an amusement park called Great Adventure, and, in a very real way, her life has *become* a great adventure, one highlighted by sexual hijinks and public notoriety. Gina made her XXX debut as a "nude pizza girl" in CHERI Magazine back in 1997. It was the first step in a meteoric career that has taken her from the pages of CHERI, to the porno soundstages of SoCal, to mainstream gigs in the HBO series "The Sopranos," the Robert De Niro/Billy Crystal film, *Analyze That*, and Eminem's video for the song "Superman." Now Gina is back, returning to the magazine that helped launch her into the fucking stratosphere. Anything to say your CHERI fans, Gina? "Uh…I was about to masturbate," Gina admits. "Wanna watch?" We think we speak for all our readers, Gina, when we say, "Hell, yeah!"

DIRTY BOXERS

Jesse & Pals Get Into "Fisticunts" On The Set Of *Fighters*!

Hey, everybody! Digital Playground's newest big budget feature *Fighters* may have just came out, but there's already a huge buzz about it.

Let me start out by saying that this was the hardest movie I've ever done, both mentally and physically. No one else in the adult business ever has done this…hell, based on the training alone, nobody would even think of it!

Being an adult entertainer, I'm used to showing off a cute, thin, feminine body. But in Fighters, Kayden Kross and I were asked to gain a lot of weight (muscle, of course), and to train for three months before we even started filming. Talk about commitment to a role! So much for just showing up on the set and getting laid!

As you probably guessed, *Fighters* is about boxing. Preparing for this role gave me so much more respect for Kayden Kross as

an artist. I think she's the only other girl in the industry beside myself who would put so much effort into a role. That's no slight against the other girls in this business—it's a credit to Kayden's commitment, determination, and skill as an actress.

Kayden and I trained separately for two months. The third month we sparred with each other to learn a choreographed routine. By then we were both big, bulky, and badass!

I love director Robby D., but he really put Kayden and I through the wringer this time. He made us really get into character, so shooting this film was an emotional roller coaster as we dealt with feelings of anger and sadness. It was pretty intense.

What about the sex? Don't worry, there's plenty of hot stuff in this movie. Beside me and Kayden, you've got Riley Steele and Stoya sexing it up, too. (BTW—congrats to Stoya for winning the World's Strongest Nude Girl competition on the Howard Stern Show recently…you go, girl! I've been in the boxing ring with this girl—she's a powerhouse!)

We all had a blast making this movie. How do you unwind after a grueling fight? Hot, nasty sex… that's how! Go out and get a copy of *Fighters* now. It's epic!

LEXI BELLE

SQUEEZABLY FRESH

It wasn't long ago—back in 2007, to be exact—that a cute high school grad named Lexi Belle worked at a video store in a strip mall in rural Louisiana. Lexi liked her job, but she wanted more from life, so she kept her eyes and ears open. It wasn't long before opportunity walked right through the front door of her video shop. "A guy came in and asked if I'd be interested in shooting porn," Lexi said. "I think it was the knee-high socks and high heels I used to wear that got his attention." It took a few months, but Lexi eventually made her way to a porn movie set. "All the people there were so nice," Lexi says. "Some guy asked me to blow him, and I agreed even though I'd never done it before. Next thing I know he's jerking off on my face. It was messy and weird…but fun!" Doesn't look like much has changed, Lex. You're still rocking the knee-highs and you're still sucking dick…oh, and you've still got jizz all over your face. Why don't guys work on their aim?

INTERVIEW WITH A PORN STAR

AMY RIED

29564

RIED ALL ABOUT IT! BIG-BREASTED SUPERSTAR GETS FRANK...AND A BUNCH OF OTHER GUYS, TOO!

PORN VALLEY, CA—Sizzling hot is the best way to describe Amy Ried…and it's *Ried*, not Reid or Reed—she'll correct you right away if you make a mistake. Exuding an air of sex and mystery, Amy Ried has managed to become a superstar in the adult industry despite only appearing in a relatively low number of scenes. Sure, some web sites claim Amy has appeared in nearly 300 films, but the truth is she's shot less than 50 actual sex scenes since joining the business in 2005. Amy remains a fan favorite nearly six years after exposing her incredible body to the porn buying public. Arguably owning the best damn body ever in porn, we were lucky to track Amy down. She doesn't do many interviews…which only adds to her mystique…

Interview by Rob Perez

Cum Hungry Leave Full #5
www.thirddegreefilms.com

How did you get into the business?
Some guy randomly approached me and said "you could do porn, you are really pretty, and you would make a lot of money." I was clueless, I had never even thought about that. But I was so desperate and in need of getting out of the situation I was in and I wanted to change my life. So I didn't know if the change would be better or worse, but I wanted to do something. And porn was what came my way. I followed this guy out to LA. I never even knew that I had a good body. I was a tomboy. I just remember I took off my clothes with ten guys standing around me and they were saying "Holy Crap!" and I was booked for the whole month right there. The hardest part for me was that I didn't have much experience. I had only had two boyfriends, so I had only had sex with two people before I started in porn. My parents were really strict. I was a good girl. But I love how sexy I feel when I'm in front of the camera, and am amazed to see how incredible everything turns out. More than anything, I love sex—in fact, I think it's now a bit of an obsession of mine.

Do you like attention, do you like being photographed?
Yes, I like being photographed. I've been in the business for quite a while now so I don't really get nervous at a photo shoot.

What do you like, sexually?
I like all sexual positions. I am into anal, oral and of course regular sex. I'm pretty much up for just about anything, and so being an adult star helps me fulfill all my fantasies.

I just remember I took off my clothes with ten guys standing around me and they were saying "Holy Crap!" and I was booked for the whole month right there.

Why don't you work more, do more scenes?
I'm very picky about who I fuck. I like girls if they look like a girl, are very clean and cute, which I don't come across very often. Sometimes I can get into my girl/girl scenes, sometimes I can't.

How many movies have you done?
I don't know. A lot of my movies are compilations. I think I have probably only done 25 boy/girl scenes.

You are very well known for doing only a few scenes.
I tried to be strategic about it. I don't consider myself to be famous, but if you want to get there, you can't flood the market. You can't be everywhere.

Which scene would you recommend to your fans that stand out the most?
Depends on if you like anal or not. I think my most entertaining scene would be for Jules Jordan. I think it's an Erik Everhard movie called *Cum in my Ass, Not in my Mouth 5*. It's the only time I had ever done anal with two guys. It wasn't double anal, but with two separate guys. That's the scene I always hear about.

So you were performing with two guys. One did your ass, and the other one did your ass?
Yeah. It was with Sasha and Erik Everhard.

AMY RIED

Who is your favorite guy to work with?
You know what? I don't have a favorite because I don't like working with the same person all the time. I like different types of guys.

Is there anything sexual you wouldn't do?
I am sure there is. I am going through a list of things in my head…

Would you do a double vag or double anal?
That seems like it would be painful. I could probably do double anal because your ass opens up a lot more than your pussy. But double pussy, there is just nothing pleasant about it.

What do you do before a sex scene to get yourself turned on?
I like it when guys kiss my neck. I don't like it when guys go down on me, but I like finger banging a lot.

How many fingers?
Two. Two is good. I'm a two-finger girl. I'm kind of small down there.

Do you like it when they lick your clit with their fingers in you?
No. I don't like the licking stuff. I've never liked it. Maybe it's because no one knows how to do it right.

I'm an expert.
(Laughs) That's what they all say. "I'm good at it." *(Laughs)*

Are your tits real?
I have natural breasts.

I love them. Do you love them?
Why wouldn't I love my tits? They're amazing. At least people tell me they are. I get attention because of my boobs all the time, every day.

You must have been a very popular girl in school.
Yeah, and I had bleached blonde hair all the way down to my ass. I had guys following me with video cameras in high school.

Why wouldn't I love my tits? They're amazing. At least people tell me they are. I get attention because of my boobs all the time, every day.

If you could change your body, what would be different?
I wish my ass were fuller.

Where are you from originally?
I was born in Germany, but have lived in the US for most of my life. I speak German and English, and love to travel.

To where exactly?
I hope to someday visit every country on the planet. In the meantime, I love living in California.

Why is that?
The warm weather, beaches and the hustle and bustle of a big city.

What do you like to do for fun?
I like to skateboard, snowboard, box and all the other active things you can think of. I'm not too much of a party girl. I'm a homebody. I like to shoot guns. I go to the gun range a lot. I ride bikes a lot. I watch a lot of movies.

What do you look for in a boyfriend?
Honesty and an open mind.

What would surprise people about you?
I went to college for two years for Mechanical Engineering at Cal-Tech Pomona.

Who is the real Amy Ried? What is she all about?
I'm all about being content with what I have, and working towards the things that reallly matter in life.

Are you enjoying life?
I live a great life—I have absolutely no regrets. All in all, I wouldn't trade my life with anyone!

How would you describe your personality?
I would describe my personality as bubbly, fiesty, smart ass. I can be very blunt sometimes. I have a big heart. I am a good girl for the most part. I mean, if someone broke into my house, I wouldn't hesitate about blowing someone's head off. If I feel like someone is in the wrong, I'm very aggressive and I'm not very nice. But when it comes down to things like morals, I don't fuck people over or do people wrong. I'm a pretty down-to-earth person. People have told me that they think I'm stuck up before they meet me, but I'm not at all. My friends and family would describe me as being somewhat reserved, caring and honest—at least those are the qualities that are most important to me.

What would you like to say in closing to your fans reading this in CHERI Magazine?
Keep watching because there is a lot of great stuff coming out, and I am super excited about it. I want to give a great big shout out to all my fans that have supported me. Thank you, thank you! I love you all!

DEFRANCESCA & EUFRAT

WORKING GIRLS

Eufrat's new boss is such a bitch! She rides Eufrat's ass all day long, and makes her work late every night. They're laboring over spreadsheets one night when Eufrat calls her out on it. "Why are you so hard on me?" Eufrat asks. "Do you hate me or something?" Defrancesca blushes before answering. "No. I actually have a crush on you. I'm hoping if I keep you here after hours, you'll make a pass at me." Eufrat rolls her eyes. "Duh! If you want to hook up with me, don't bust my ass…lick my pussy!" Eufrat slips out of her business suit, revealing a flawless body that makes Defrancesca's mouth water. Moments later, Defrancesca's Donna Karan dress is lying rumpled on the floor next to Eufrat's, and the two girls are locked in a steamy 69. Eufrat sure knows how to get on the boss's good side!

POUND THE ROUND #8 P.O.V.

BIG BROWN EYE

HIT IT HARDCORE ON THE SET OF DIGITAL SIN'S *POUND THE ROUND POV #8!*

By Acme Andersson

Love comes in different shapes, sizes and colors, but when it comes to the *Pound The Round POV* series it's always round, tight and pink, just like true love should be. Mike Adriano has the lucky prick that gets to invade all of the territories and the five-deep lineup is enviable. Blondes, redheads and brunettes go head to head and ass to ass, Brooklyn Lee, Isis Love, Jessica Marie, Nicole Aniston and Sara Vandella are the fine-reared femininas lined up for this ass-smackingly good movie. The eager cocksuckers stuff their mouths with his fat tool, all get their asses eaten and oiled and then shake their booties for the camera as he fills their muffins with his stiff stuffer.

Photos courtesy of Digital Sin www.digitalsindvd.com

29565

The kinks have all been worked in for this eighth volume of the series, so let the asses wiggle, the tacos overflow and the jizz fly!

There's a crazy, dazy look that comes over Brooklyn's face as she's down on her knees, lips stretched to their limit to accommodate the fat cock that slides with a little effort into the depths of her mouth. The redhead takes a deep breath and then goes for the deep throat, but that's going to take some practice. After offering a long slob, she wants to test another hole, see if she fit it all in this time.

She lies on her back and pulls her legs back tight. Her pussy almost pops out, it's big lips quivering in anticipation, glistening with the advanced signs of pussy wetness. He widens her crack with the head of his cock, revealing the black, mysterious depths of her pink love canal. She grips her legs hard, pulling them back against her torso, which tightens her snatch on his cock and works as an on-switch for his ramming, which gets more and more amped up as she becomes more and more animated. With the crazy smile on her face one wonders if he may just pound all the love out of that hole. Then what?

Before irreparable damage can be done, he turns Brooklyn on her side and the flame-haired sex machine squeezes her legs together, obviously trying to scissor his cock until it's numb, maybe thinking that will extend their session. But she has nothing to worry about and he can't still feel her velvet tunnel when he takes her from behind and unleashes a flurry of cock-ramming into her puss while giving her well-oiled ass a hand. He pumps and he pumps and she rides until her legs burn and finally he gives her the okay to turn around and take his yogurt. It's a whopping load and whites up her face and tits, leaving her with a mess to clean up and a pussy that's just a little bit looser than it used to be.

Isis is dark and full-bodied and lives up to what a girl with that name should: big tits, seductive smile, a perfect pussy and a massive sexual appetite. She comes into the scene with the reputation for sexual voracity and long before there's a cock in sight she lives up to it. The way she takes her clothes off,

Digital Sin

looks at the camera, it's all the signs of a guaranteed hot to trot lusty.

She's a grade A cocksucker, but soon she understands she's not there to put a dick in her mouth. This is a series that focus on round rumps, and not a moment is wasted as she bends over, her ass shimmering in oil, pussy already open and eager for the thick stick that is stiff, ready and headed toward her. As he slides in there's the momentary gulp, but she is well-practiced and knows how to accept a huge cock like this one. She shows that she's spent a lot of time practicing or in the gym, because her reverse cowgirl is long and strong, her legs never wavering the way an amateur's might.

Her respite comes in the way of doggie style and it's a gash bash that threatens to trash her vag for the rest of her days. But she holds her legs together tight and gives him that this-ain't-been-banged-a-million-times feeling. It's a successful strategy and soon enough he pulls out and squirts what looks like a pint or so of his man jugo onto her butt cheeks.

With her blonde hair, white smile and matching stockings, Nicole looks like the picture of freshness, but don't mistake that for innocence. She's clean and bright and that pussy is still tight, though a little less so after this fuck. She has the ocean's blue eyes and they are wide and bright when she admits his drone into her tongue holder. Her head bobs back and forth, showing us that she's not nearly as close to being a first-timer as we might have guessed. She's just too good.

When he sits on the couch and directs her to mount, she backs on and it's as if his cock presses a smile onto her face. Her frame is slender, with down-to-earth tits for a porn chick, but the ass is round, firm and perfect, a prerequisite for the butt-watching series. As she puts it in reverse we are overwhelmed with her milky goodness and to make things even more fantastic we see her pussy accept his cock, her lips shiny and pink and her creamy center inviting and ready. Her cheerio seems to wink as her snatch sideways smiles as it slowly fills with dick.

With her great enthusiasm she takes a smooth ride, giggling as her depth charts are remapped. After she cums twice within about a minute, the squeeze of her cunt takes its toll on his cock and it is forced to release its milky gift. He pulls out and out pops a fountain of thick whiteness, rising into the air and then falling onto her ass cheeks. She watches with awestruck blue eyes, then sighs contentedly to herself.

Jessica is another blonde, she of the dirty type—very dirty. She dons small tits like Nicole, but the ass is much more on the plump side. She even sports a gape pre-touch, but she doesn't stay untouched for long.

Her tonsils get the first tickle as she goes for a largely hands-free suck, managing to smile here and there even with her mouth stuffed with dong as she peers

up with anxious eyes. He flips her over for a couple minutes of ass-eating, buying his face between her bouncy cheek, tongue and nose battling at her entrance as she giggles appreciatively.

But what she really came here for was to get her pussy stuffed and that's not tough to do when her pussy looks tighter than her asshole. He sits back for her mount, big, greasy butt cheeks bulbous as they peer toward the camera lens, her pussy shifting down onto his cock, head first, then inch by inch or shaft until his nuts can feel her sleek bumper. She takes a moaning bounce, smiling, giggling, moving faster and faster until she cums on his dick, her ass shaking. He takes advantage of this moment of weakness, flipping her over and stabbing her pussy with his fleshsword, sending her into a delirium, she cums again and then he shows her how a guy does it, pulling out and dropping a big, white load across her big ass.

Sara is another big-assed babe and one who loves to shake it as part of her peacocking ritual. There's a lot to shake and the camera, and her man, love it. Next she gets shroomed out, popping the head of his cock in and out of her lips, which tighten and release like a good trip before she gets serious and gobbles eagerly.

By the time he gets his tongue in her onion she is in full fuck mode and her thick thighs work overtime as she gives him the reverse cowgirl, her lips stuck on his shaft, stretching every time she rises. By the time she gets on her back her pussy is stretched into a big welcome sign and her eyes are glazed with passion. He is a harsh taskmaster as he bangs her mish and she is in a submissive haze when the doggie style begins. He offers her another pair of orgasms, which she breathlessly accepts, then gives her ass Rorschach test that we can all enjoy.

TART OF THE MONTH

LINET

PEEK-A-BOOTY

29587

The guy living next door to Linet peeps through her half-closed blinds at night, waiting to catch a glimpse of her magnificent melons. **The bus driver who takes her to work each day stares at her cleavage as she pays her fare, eyes her wiggly butt as she walks down the aisle. Her boss hasn't looked at Linet's face in nearly three years, yet each day he manages to "accidentally" drop something by her desk so he can bend down and peek up her skirt. Linet doesn't like to cross her legs…nor wear underwear. She doesn't mind if these men get an eyeful of her either…she enjoys a man's appreciative stare. "Some women are bothered by it, but I find it flattering," Linet says. "When a man stares at my body, it means all that time I spent at the gym was worth it! The only thing I like better is when a man stares at me and gets a big boner in his pants!" You're going love us, Linet! We're going to stare at you and play with our dicks like horny monkeys!**

MADISON PARKER

TWO FOR THE LOAD

Major hottie Madison Parker has some dating advice for young ladies looking to meet guys. "Hang out by the men's room!" Madison says. "Seriously. There are, like, always a ton of guys going in and out. And they don't even mind if girls hang out in there! I've gone into dozens of men's bathrooms and never has one single guy ever complained. I like hanging out by the urinals best…guys stand there, unzip, and take out their cocks! A busy row of urinals looks like one of those all-you-can-eat buffets to me. I want to cram all that sausage into my mouth!" Sounds like a well-balanced diet, Madison. Looks like you've doubled up on the meat today. Better wash that beef down with a protein shake made with fresh nut milk. I think you left a good first impression on your new friends! See, ladies…you can learn a lot from Madison!

CAROL GOLDNEROVA

PINCH BETWEEN HER CHEEKS

Jugs. Hooters. Sweater meat. Headlights. Bazookas. Tits by any other name would still look as sweet and feel as nice. We're a little obsessed with boobs here at CHERI. Exhibit A: This layout of Carol. Carol's got a big, juicy rack, a damn-near perfect set of knockers. Look at the way those funbags hang and sway. Yeah, that's good eating there. There's something about the shape and texture of tits that stirs something primal in the male brain. The feel of stiff, spongy nipples beneath our fingertips drives us crazy, makes us to grab our dicks and rub our balls. When we see big tits like Carol's all we can think about is sucking them. After we drool all over those dirty pillows we want to wrap them around our dicks, and French fuck that mile-long cleavage. Hope you don't mind, Carol. We promise you a pearl necklace for your troubles.

KEY		
POWER OUTAGE completely limp and flaccid	[1 bolt] a little tingle, that's about it	[2 bolts] semi-erect
[3 bolts] not bad, boner-inspiring	[4 bolts] above average, hard and throbbing	[5 bolts] classic! ready to spew!

JUSTICE LEAGUE OF PORNSTAR HEROES [5 bolts]

(Exquisite Films) Starring: Andy San Dimas, Kristina Rose, Amber Rayne, Roxanne Hall, Shyla Stylez, Chanel Preston.

Many parodies today are wandering into dangerously pretentious territory, taking themselves too seriously. It's still porn! Keep it fun, people! That's what the folks behind *Justice League of Pornstar Heroes* do. Campiness is the film's charm, while the incredible sex scenes keep you watching. What do you see? Pornstars dressed as superheroes taking down super-baddie Lex Luthor (Tom Byron), who has unleashed a weather balloon that will cause mass, worldwide destruction. How will our heroes save the planet? They'll figure it out after they bust a nut. Batman and Robin double pump Catwoman, played by foxy Roxanne Hall. Then Superman's steel cock drills into Kristina Rose, playing villain Zatanna. Good thing Zatanna's wearing her kryptonite necklace! Chanel Preston's Wonder Woman is our kind of wonderslut, blow-banging the rest of the pornstar heroes after they save the world. But Lex gets the last laugh and his cock sucked by Poison Ivy (Shyla Stylez), and leaves the film with a cliffhanger. We can't wait to see more cheesy effects, cheesy acting, and flying man-cheese in the next adventure of the porno super friends.

PETER NORTH'S POV 29

(North Pole) Starring: Isis Taylor, Krystal Steal, Aubrey Adams, Kristina Rose, Samira.

It must be cool to be Peter North. Yeah, we know he's become sort of a parody of himself in recent years, the punchline to a dirty joke. But he's still able to recruit and fuck the hottest girls on the planet, and that's a pretty damned impressive skill to have. Plus he shoots ridiculously thick ropes of cum. Just ask Isis Taylor and her fellow cast members in *Peter North's POV 29*. This is one of the best-looking DVD casts we've ever seen, all tanned, toned and ready to fuck. Isis wraps her big tits and lips around Peter's piston until it explodes in her face. Damn, Isis, you need a towel! Aubrey Adams has lost all her baby fat and is sporting a lean athletic body that makes Peter's cock twitch as he slides it into her. Krystal Steal is back, proving she's as nasty as ever, riding on Peter's pole before he splooges on her face. Kristina Rose is sexy as always, letting her inner slut rage once her pussy is filled with man-meat. This is no joke, *Peter North's POV 29* is a must-see jack off event!

EVIL ANAL 13

(Evil Angel) **Starring: Kristina Rose, Asa Akira, Katsuni, Chanel Preston, Amy Brooke.**

Manuel Ferrara usually releases great movies, both as a performer and a director. *Evil Anal 13* isn't as solid as his previous *Evil Anal* films—unfortunate considering the talent—but fans of Manuel and anal sex can still get off plenty with this release. Asa Akira is up first, and she gives up her tight Asian ass quickly. What a great way to start! Kristina Rose is always eager to jump on top of Manuel's cock and ride him with her loving butt-socket. Chanel Preston is stunning as always, taking on Steve Holmes and Mick Blue in a sizzling butt drilling session, though, sadly, no DP—the first disappointment of the film. The second disappointment is the too-brief appearance of Amy Brooke, one of porn's hottest anal starlets, in a BJ-only scene that Manuel doesn't even let her finish. What the fuck, Manny? Manuel and Katsuni always make sweet anal music together, and go at each other hard and furious. The blowbang at the end of the film featuring Katsuni serves no purpose, though it is fun to watch. A fifth scene featuring Amy would have been better. Skip all the talk and focus on the action and *Evil Anal 13* delivers the goods!

BIG FUCKING ASSHOLES 2

(Jules Jordan) Starring: Jenny Hendrix, Annette Schwarz, Jenna Haze, Jasmine Byrne, Angelina Crow, Melissa Lauren, Tory Lane, Roxy Jezel, Dora Venter, Aline.

Erik Everhard has a lot of notches in his belt, fucking some of the finest "assholes" in the business. *Big Fucking Assholes 2* is a collection of some of the very best asses Erik has fucked. This is a long two-disc set…a little too long. We're taking off half a star for not trimming these scenes down, and we're taking another half star because a couple chicks are beat (their buttholes are the prettiest things about them). The rest of the film is brilliant, featuring the terrific tushies of Jenny Hendrix, Annette Schwarz, Jasmine Byrne, Jenna Haze, Angelina Crow, Melissa Lauren, and CHERI favorite Tory Lane. Jenna Haze, Annette Schwarz, and Melissa Lauren always deliver top-notch anal scenes, and their work here continues to meet that high standard. Jenny Hendrix's amazing curvy ass is a work of art, and Tory Lane wearing a skin-tight latex outfit screams, "Fuck me!" literally and figuratively. Erik obliges and pounds away at Tory's back lane. Pack a lunch and plenty of lube before you press play on *Big Fucking Assholes 2*!

GANGBANGED ⚡⚡⚡⚡

(Elegant Angel) **Starring: Lisa Ann, Bobbi Starr.**

Girls just wanna have fun…and eat cum! The "girls" behind Elegant Angel's *Gangbanged* are MILF superstar Lisa Ann, superwhore Bobbi Starr, and deviant director Mason. Mason is a lovely lady who shoots like a dirty old man, wallowing in hardcore, explicit scenes. The dirtier the scene, the more Mason likes it! There's no fluff, glam or romance here, just lots of good ol' wham, bam, thank you ma'am gangbang porn featuring two of the industry's leading ladies. Lisa Ann is in fine form, participating in the first gangbang of her career. Bobbi Starr returns to her slutty roots, even dissing her recent parody turns by begging to get fucked by seven guys. Mason makes her wish cum true…and then some. Bobbi also performs her first double anal scene, which is the main event of this gangbang epic. Elegant Angel's *Gangbanged* is an excellent film that will be talked about for years.

PRON: THE XXX PARODY

(Goodnight Media) Starring: Diamond Foxxx, Lexi Belle, April O'Neil, Andy San Dimas, Zoe Voss.

Techies, *Trekkies*, and sci-fi geeks—take out your cocks and start stroking! Wait, you're probably already whacking off. Freak. Well, pop Goodnight Media's *Pron* in your player. *Pron* is a XXX parody of cult sci-fi classics, *Tron* and *Tron 2*. When sex toy engineer Kevin Fling is sucked into the Grid via the Enrection computer system, he must find a way to escape. But who would want to leave a pleasure center populated by Diamond Foxx, Lexi Belle, April O'Neil, and Andy San Dimas? Is he nuts? Fling hooks up with Zoe Voss, fucking the daylights out of her in order to get close to the Masturbation Control Program, an evil machine that controls sexual activity and makes pussies glow. Sound confusing? Fuck it, just fast-forward through that shit. The makers of *Pron* want you to have fun and they succeed most of the time, despite not having the big budget of other porn parody producers. Put on neon boxers and bang glowing pussy today!

PENIS-STRETCH is made of quality material, will fit any adult male AND WILL DEFINITELY INCREASE THE LENGTH OF YOUR PENIS when used as directed. HERE'S WHAT PENIS-STRETCH USERS WRITE . . .

". . . incredible . . . my formerly shrunken organ now hangs out long and proud over my testicles."

"Couldn't believe it, but it works. Your PENIS-STRETCH gives me 2½" more length, and that's without an erection."

"Easy and effective . . . feel like a real man for the first time in years."

"I was told there was no way to ever make my penis longer, but nobody ever told me about PENIS-STRETCH. It works . . ."

These are only sample comments. But you can understand how overjoyed these men really are to discover that they need never again worry about a "small" sex organ. PENIS-STRETCH will work for you, too. REAR-ENDED

3rd Degree's *Asstounding*
www.thirddegreefilms.com

When fashion designers talk about a model's "lines," what they're referring to is the shape of a girl's body, how it looks in silhouette, and how it will show off their clothing. Kristina Rose doesn't have the lines of a fashion model. She's too curvy. Sure, she's got long legs and looks hot no matter what she wears, but she's far from the stick-figure waifs that work the fashion runways. Kristina's not a clotheshorse or a dressmaker's dummy. She's built for sex, a living fuck machine. One look at her kick-starts your libido, gets your blood pumping, your heart racing. Mick Blue took one look at Kristina in her sexy fishnet teddy, leopard-print leggings, and fuck-me pumps, and immediately sprouted a monster boner. Fortunately, Kristina knows just what to do with that throbbing slab of beef. She was built for it.

ANGELICA BLACK & MYA DIAMOND

BLACK IN BACK

Angelica Black and Mya Diamond met on the set of a European porn film several years ago, and have been best friends ever since. They're always truthful with one another, but when Angelica asks Mya what she thinks of her new leopard-print blanket, Mya doesn't want to hurt her friend's feelings. "Uh…well, it's not really my style," Mya says, "but I'm glad you're happy with it." Angelica coaxes her friend down to the couch. "Come on. You've got to feel this! Take off your clothes…feel it against your bare skin." Mya is happy to oblige. At least this will divert conversation away from the hideous blanket. Once they're nude on the couch, Mya can focus on sucking Anglica's big tits, and licking her puckered bunghole until her friend's cunt starts dripping down her face. Later, Angelica returns the favor, and Mya grinds her ass into the couch as she cums. Maybe if she gets skid marks all over the leopard-print blanket, Angelica will toss that shitty thing out!
